

ANNUAL SEMINAR FOR UMPIRES 2009

‘BECOMING THE BEST WE CAN’

The seminar (replacing the camp) will be a weekend in which you can develop your on-field craft and match management skills in highly interactive sessions led by our own National and State Panel members.

Members of the Warriors playing group will be there for a net session during which you will have the opportunity to stand and hone your skills with the best. Guest speakers, including CA Education and Training manager Denis Burns and Professional golfer Lindsey Steven will bring a new dimension to your development.

It also provides the ideal opportunity to welcome new members and develop fellowship with other umpires.
