### 10. GOODS AND SERVICES TAX

The parties agree and acknowledge that the Fee payable under this Agreement has been calculated on a GST inclusive basis.

### 11. SAFE GUARD YOUR VALUABLE PRIVILEGES

Your Dennis Lillee Club privileges are structured in a manner to enable them to be transferred to others of your choosing on the occasions when you are unable to attend certain match days. We encourage you to take advantage of that flexibility.

However that flexibility is not to be confused with the privileges accorded to those of you who also hold a personal WACA Membership where the Member card that is issued to the designated Member has no transportability and can only be used by the designated WACA Member. **Specifically this Member card cannot be lent to or used by any other person on match days.** The WACA have procedures in place to ensure that those by laws are not breached and has mechanisms to penalise identified breaches that include exclusion from the ground on the day in question and beyond that, the potential loss of all Membership privileges.

These by laws are in place to ensure that the Members enclosure and its facilities are there for the use of the Members and a Members legitimate guest. (ie. the bearer of a valid guest pass) It is only fair and proper that WACA Members who have paid their annual subscriptions for match day privileges and amenities, deserve in as much as is possible, for them not to be overcrowded and not used by ineligible persons.

Your awareness of the above and your cooperation in adhering to it is appreciated.
