

Midland-Guildford Cricket Club – Seniors Assistant Coach (Women)

Job Description

Job Title: Seniors Assistant Coach (Women)

Reports to: Head of Coaching (Females) & Director of Cricket Operations

Contact: Craig Stein (Director of Cricket Operations) – craig.stein1@gmail.com

POSITION INTENTION:

Head of Coaching feels supported and can maximise their time contributing to player development. Help senior players maintain intensity during training due to pre-planning and organisation during training drills. Players are motivated to work hard during training by understanding the purpose of each session. Provide support to all senior players and Head of Coaching on match days.

SKILLS REQUIRED:

- Excellent planning and programming capabilities and very strong commitment to the personal and cricket development of each senior women's player to reach her highest level and, in concert with other coaches of females' cricket and the Club's Head of Coaching (Females), ensuring such development and progress is measured, documented and communicated with each player
- Proven high level communication skills and commitment to ensure excellent culture, teamwork, and Club support is instilled and maintained across all levels of women's cricket at the Club, and in conjunction with the Head of Coaching (Females), ability to lead from the front in relation to this
- Strong knowledge of cricket technical and strategic skills, specifically related to the Coach's individual area of expertise, but also more broadly
- Good understanding of the game, relevant playing rules, and vision for the documented evolution of the game at the Club (Strategic Plan), and the increasingly successful on-field performance by all players and teams
- HPCA coach accreditation desirable – but minimum RCA accreditation, or progress to achieving that accreditation, essential

MAIN DUTIES:

- In concert with the Head of Coaching (Females) and all other coaches of women's cricket, plan the Club's pre-season and in-season training programs with identified training phases that are recognised, measurable, communicated, delivered, and documented by all women's cricket coaches and specialists.
- Conduct of pre-season and in-season training/development programs (skills, strategy and physical preparation) in consultation with all Club appointed coaches of women's cricket, and players
- Assist, in consultation with the Head of Coaching (Females) and other appointed coaches of women's cricket, in the formulation and conduct of evolving strategies for improved player analysis across all applicable levels of the Club
- Continuing consultation with the Head of Coaching (Females) and all other coaches on all relevant matters
- Assist with team selections, if requested
- Attendance, as required, at WACA High Performance workshops and other coaching training in line with WACA Premier Cricket grant requirements
- Active attendance across all grades, in consultation with the Head of Coaching (Females) and other appointed coaches, at in-season women's cricket matches to support and mentor the development of all players
- Attendance at all Player's Teas and Club functions
- Maintain Working with Children compliance
